

BRASSERIE/CLUBHOUSE

In Order to keep yourself, our staff and other customers safe, please read and follow the below guidelines.

- If you feel unwell or are showing ANY symptoms of Covid 19, however mild, please do not come in. We will look forward to seeing you again when you are well.
- If you have not booked a table, we will try to accommodate you, but please understand it may not be possible as our capacity has reduced significantly.
- On arrival, please use the hand sanitiser provided.
- When entering the clubhouse, use the side door and exit via the garden. Golfers will use the main reception door as usual.
- Remain at the table you are allocated and respect the social distance guidelines
- Do not approach the bar, we will serve you at your table
- Payment will be by card only
- Keep children seated and supervised at all times. An adult must accompany children to the toilet
- Place your empty glasses and plates at the end of your table for us to collect.
- If you are sitting outside and the weather turns, please be aware it may not be possible for you to come inside.
- DO NOT move the furniture. It has been placed this way to ensure social distancing between tables and to allow staff to safely serve you.
- Under the government guidelines we are required to take contact details for every member of your party. If your details were not taken on booking or they have changed, there will be forms to fill in on your table.

Please bear with us as we try to get used to this new way of serving you. We appreciate your support to keep Woodside a safe place for us all and would like to **thank you** for your continued custom.

John, Marie-Therese and the team.
