PARENTAL CONSENT FORM FOR CHILDREN UNDER THE AGE OF 18 YEARS

The directors at Woodside Golf Club are committed to the welfare and well being of children while on the premises; we would appreciate it if you could please complete the form below.

We have a policy at Woodside for health & safety reasons in that we do not allow children under the age of 18 years to use our facilities without the supervision of an adult, however, we do allow children from 15 years of age to use our facilities unaccompanied provided that a consent form is signed by a parent or guardian.

No child under the age of 18 years can supervise other children under the age of 18 years, this includes relatives.

Please ensure that your child/children are promptly picked up after the use of our facilities. A parent or guardian must be available to pick up their child as soon as their round is completed; this also applies when using the driving range and Par 3 course. It will not be acceptable for health & safety reasons for a child to be left on the club premises after the above events have taken place or for any unreasonable length of time.

No child under the age of 16 is permitted in the bar unaccompanied by an adult.

Please provide two emergency contact numbers

We have a booking in and out system for all under 18 year olds using our facilities, there is a book in reception for this purpose. It is most important your child signs in and out of the premises, if your child has not signed out the club may ring the telephone number provided to ensure they have left the premises safely, signing below denotes that you have explained this procedure to your child. If your child repeatedly forgets to sign out it may result that your child will be unable to use the facilities.

Please provide any information on the back of this form if there is anything we should know regarding your child's welfare i.e. medical problems
The signature below will denote that my child has permission to be on the golf club's premises unaccompanied and I acknowledge that the club is not responsible for providing supervision for my child.
